Consumer Confidence Report Certification Form

Water System Name: Bearcreek Municipal Water System

Water System ID Number: MT MT0000063

CCR Year: 2025

Check the method of delivery your system used A, B, or C used to distribute the CCR to your customers based on your system’s population. Note methods B and C require a Good Faith Effort to reach non-bill paying customers. Complete and submit this Certification Form to DEQ by September 30. It is recommended that you email the CCR and Certification Form to DEQ at the same time to ensure that all actions are completed on time.

Method “A” Notice of Availability – Systems serving 500 or fewer customers

Notice that the CCR is available upon request posted in public locations or the CCR was mailed or hand delivered

Method “B” CCR Published in a Local Newspaper - Systems serving 10,000 or fewer customers

Posted entire CCR in local newspaper, customers are notified in newspaper that CCR will not be mailed and that it is available upon request. Attach a copy of the newspaper. Posted on (date)

AND

Good Faith Effort - made to reach non bill paying customers: CCR posted in public places, on social media, delivering multiple copies to apartment buildings or community organizations, or other (please list) posted on the Town's website

Method “C” Direct Delivery – Available to all systems, required for systems serving over 10,000

Mailed, emailed or hand delivered to every customer

AND

Good Faith Effort - made to reach non-bill-paying customers: CCR posted in public places, online or on social media, delivered to apartment buildings or community organizations, or other (please list)

Note: Systems serving more than 100,000 must also post the CCR on their website

Check the appropriate boxes below for additional notifications included in the CCR

The CCR contains a chemical monitoring waiver notification.

The CCR includes Tier 3 Public Notice for one or more violations.

The community water system named above hereby confirms that its Consumer Confidence Report has been distributed to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the state agency.
